

Benecard Central Fill Mail Order and Specialty Pharmacies

- **90-day supplies of maintenance medications delivered where you need them!**
We mail prescriptions to the address of your choice: home, office, or other convenient location.
- **One-on-one nurse and pharmacist consultations for specialty prescriptions!**
We want to be sure you're comfortable with your medication and how to take it. Our clinicians will speak to you before and after every fill and refill, to ensure you have everything you need and that your medication is working for you.
- **Online refills with the BeneCard PBF mobile app and at benecardpbf.com!**
Never miss a refill. Turn on refill reminders in the member portal at benecardpbf.com, then use the mobile app to submit your refill request with a few simple taps when it's time to order!
